

THE PROVIDENCE POST

ASSISTED LIVING AND THE GARDENS MEMORY CARE

MOLLY'S MINDFUL MOMENT

Everyone knows that February is the shortest month, but it sure isn't short on holidays or fun! Be on the lookout for special activities that will be coming your way in assisted living and memory care. Speaking of activities, we bid a fond farewell to Jessica Maynard, Life Enrichment Director at the Gardens, who will be moving on to further her career in her chosen field. We also warmly welcome Harlequine Clay as our new Life Enrichment Director, who brings a wealth of knowledge and creativity.

Molly Patton
Executive Director

If January is the month of motivation, February is the month of adjustment. When the excitement of New Year dies down, you are more clear about what really matters. You distinguish meaningful goals from lofty ones. With reflection and thoughtful decisions, you can 10x your results and make meaningful progress this year.

Finding your voice is never Easy. It takes courage and Belief in yourself to Radiate confidence. Never Underestimate the power of Authenticity, for it brings Resilience and strength to Your words, actions and journey.

Love each other well! Fondly, Molly

HARLEQUINE'S HARMONY

Harlequine Clay
Life Enrichment Director at The Gardens

Hello! My name is Harlequine Clay and I am so excited to be the Life Enrichment Director at The Gardens. I was the assistant to my mother's assisted living home in Hartsville TN, for 3 years and have worked with the elderly for many years. I completed my Bachelors degree in 2023 for Music Education so we will be incorporating a lot of wonderful music in our day to day activities.

KRISTI'S CORNER

Happy February everyone! Keep in mind that it's leap year! We will be having two parties this month, one celebrating Mardi Gras and the other celebrating Valentine's day. ROBERT'S REPORT

Robert Johnson
Maintenance
Director

Reminder that we have construction coming up for the next few months. This construction is supposed to begin February 1st and will cause a lot of traffic with tools, paint, decor, and construction workers. Please be even more aware of your surroundings than usual, make sure to watch for signs of wet paint, and any signs of danger as this will limit issues.

★ IMPORTANT REMINDER

Residents, visitors, and employees should enter and exit through the front entrance ONLY. The only exceptions to this is the employee entrance and when there's a fire/fire drill. Visitors should also ensure they are signing in/out every visit.
