ASSISTED LIVING AND THE GARDENS MEMORY CARE

## MOLLY'S MINDFUL MOMENT

Springtime is here, and I am so excited! I am looking forward to both warmer weather and more sunshine. The month of April, traditionally a rainy period, gives way to May, when flowers will bloom because of the water provided to them by the April rains. I cannot wait to be able to go outside and do some gardening with everyone! I love to see all the flowers blooming and hear the birds chirping. There is nothing better than a breath of fresh air outdoors after a crisp winter. We have some wonderful activities planned for this month including a special day celebrating the solar eclipse on the 8th!

**Molly Patton**  
Executive Director

We love to see you all enjoying your home, and I thank you for your patience with the renovation at Providence Place. It's going to be beautiful! Take a moment to remember that this is a time of new beginnings in life and all the opportunities it holds. I hope you will join me in being active and vibrant with the new beginnings of spring and to live each day to the fullest.

Wishing you spring in your step, Molly

## Resident Success Story

**Gloria Wilson**

Gloria began receiving Occupational Therapy services with EmpowerMe Wellness to address her shoulder pain and mobility for independence with her daily living and leisure activities, especially for her favorite hobby of painting. She has now been discharged from Therapy services with no complaints of shoulder pain and an increase in her shoulder range of motion! She reports that she is now feeling better all around. She enjoys spending her afternoons participating in Providence Place's activities and painting her glassware to sell at local craft stores. Way to go Gloria!

## TAMARA'S TEA

I'm so excited April is here and the warm weather is so near. I hope you all will get out and enjoy it as much as possible. Also, don't forget to get involved with all the exciting activities our directors have to offer. Take a walk, hangout on the porch, watch the birds, or even catch up with a friend. There's so many thrilling thing to do. Don't miss out!

Also, I know times are hard with agency nurses, so please if you know anyone or your family knows anyone let us know. We would love to get some more nurses in here!

Life Enrichment  
Director at The Gardens

Happy April! We have had a magnificent March enjoying bingo, painting, music, and spending time with our wonderful volunteers. We hope that April will be as awesome and that some of our family and friends will join us for our activities. We will be planting and gardening for some of our outside activities if the April showers hold off. "April is a rainbow month of sudden springtime showers. Bright with golden daffodils and lots of pretty flowers."

Wow, I can't believe it's April already. This month we are taking a few shopping trips where you or your loved ones may need a little cash. These shopping trips include Goodwill, the Dollar Tree, and Sugar Pea. Hopefully if it's warm enough we are planning to try and go fishing on April 18th. I know a lot of you all really enjoy this outing! We are also very excited to plant some tomatoes and cucumbers in hopes of making some pickles and just enjoying the tomatoes. Bring on the warmer weather!

# KWAME'S CUT

**Kwame Berry**  
Dietary Director

Spring is here and a new menu rotation has begun! I hope you all are pleased with the new meals we have planned for the month of April. Don't forget you can always change your meals if you are not suited with the menu. Just ask an employee or come to the kitchen door and ring the door bell we would be happy to help. We just ask you do it in a timely manner to ensure we have plenty of time to prepare it. 2 hrs in advance would be appreciated. With that being said we are excited to say fish sticks have been added to the options as requested.

# ROBERT'S REPORT

**Robert Johnson**  
Maintenance Director

Happy April I'm excited for spring time! I hope the weather is nice so I can get out and ride my bike, but even more so for you all to enjoy. I predict we will have many spring showers that will hopefully bring May flowers. I have an **IMPORTANT** message to hopefully remind everyone. Do not put any sort of wipes in the toilet! Even if they say flushable. There are no wipes that can be flushed without causing a clog, and no one enjoys that. Do remember if you toilet is clogged ask an employee for some help and we will take care of it.
