MOLLY'S MINDFUL MOMENT

Dear Residents, Families, and Team,

As we welcome the month of November, we are reminded of the beauty this season brings. The cool autumn breeze and colorful autumn foliage create a wonderful atmosphere for reflection and gratitude. Along with the seasonal shift, don't forget we've just experienced the fall back time change, giving us an extra hour of rest as the days grow shorter and the nights longer. Let's take this opportunity to slow down, enjoy the crisp air, and appreciate the coziness of the season.

Molly Patton
Executive Director

One of the highlights of November is, of course, Thanksgiving. It's a time when we come together as a community to express our gratitude for the wonderful moments and people we have in our lives. We look forward to gathering with everyone and creating cherished memories.

Once again, thank you all for your continued support, care, and kindness within our community. As the days grow cooler, may your hearts remain warm. Let's make this November one to remember!

Warm regards,

Molly

JILL'S JOLLY

Jill Wagoner
Marketing Director

Can you believe it's already November!?! I am looking forward to Thanksgiving and all the activities we have planned. My favorite in my family is all the games we play. It's always a fun competitive way to bond around a great meal! It also keeps everyone occupied while they are waiting to eat!!! Here is the word scramble I am placing on each plate before the meal. A neat prize for whoever finishes first! Ring the bell! Dinner is ready!

ANNIE'S ACTION

Happy November, everyone! This month, we're embracing the season with exciting activities that offer something for everyone. From cozy crafting afternoons to lively games and our Thanksgiving Family Day, there are so many ways to get involved and enjoy each other's company. Whether you're a regular or it's your first time joining, we'd love to see you. Jump in, make new memories, and let's make November unforgettable!

It's November and I am looking forward to spending the holiday season with my family! I hope you all enjoy it just as much as I do! Spending time with your family, enjoying the food, and spending time out in the beautiful weather is only the beginning. One important thing to remember especially when being out, but always important is wearing proper footwear. Rubber-soled sneakers that fit snugly are the best option to prevent a fall. Have a happy holiday and stay safe!

MARY BETH'S MINUTE

We had a great turnout for our family night, the first one we had in a while! If you missed it, we hope to see you on November 21st for our Friendsgiving dinner. This event will be a side dish potluck. A flyer will be sent out to RSVP and sign up to bring your dish. Activities this month we will focus on some more sensory based activities as well as themed weekdays for a more consistent routine. Including just a few Music Monday, Wellness Wednesday, and Throwback Thursday.

KWAME'S CUT

Kwame Berry
Dietary Director

It's November! There are many events to look forward to this month! This time of the year it is the most special time to spend with your family. Having a delicious meal just adds to the wonderful holiday gatherings. We are looking forward to Family Day at Providence Place and Friendsgiving at The Gardens. On the 18th our department heads are hosting a chili cook off. Come by for a taste test! Thanksgiving day we look forward to serving our residents the meal they deserve.

ROBERT'S REPORT

The frosty weather is coming! It's time to get your mini fridge defrosted. If yours needs defrosting it's best to write it on the clipboard on my door to ensure the job is not missed, but you can always let me know whenever you see me around. All heating units need to be tested that they are working properly. Please test out your unit if you haven't already to be sure there are no issues. Don't wait till it's too late! You don't want to get stuck with no heat on a cold day.

Robert Johnson
Maintenance Director
