MOLLY'S MINDFUL MOMENT

Spring into Fun!

May has arrived in full bloom, bringing with it sunshine, laughter, and a calendar packed with reasons to smile! From Mother's Day to Memorial Day, we're celebrating the moments that bring us together. Don't forget to mark your calendars for some of the lighter, sillier holidays too—May 4th is Star Wars Day ("May the Fourth be with you!"), and May 11th is Eat What You Want Day (a personal favorite around here!). Whether you're enjoying fresh air on a morning walk or sharing stories over lunch, there's no better time to enjoy the warmth of community.

This month, we also say a heartfelt farewell to our beloved Grace Thomason, who will be leaving us at the end of May to begin an exciting new adventure. Grace has been an invaluable part of our community, bringing compassion, creativity, and joy to everything she's done. We will miss her dearly and thank her for all the special memories and meaningful contributions she's made during her time here.

Molly Patton
Executive Director

We're also thrilled to welcome several new residents to our community! Let's all take a moment to say hello, share a smile, and make them feel right at home. After all, it's the friendly faces and caring hearts that make our community so special. Here's to a May filled with sunshine, celebration, and connection!

ANNIE'S ACTION

Annie Aquino
Providence Place
Activity Director

Hello everyone!

All of you know I have been out the past couple weeks and I will be away just a little bit longer. Don't worry I should be back mid-month ready to jump back into the fun with all of you!

I'm looking forward to getting us back on our regular activity schedule. I can't wait to continue playing Bingo, doing arts and crafts, and of course getting out on the bus for some adventures.

In the meantime, the fun definitely isn't slowing down. Be sure to join us for our Mother's Day Event on May 9th at 1:00pm, invite your family! It's going to be a great celebration! We've got all of our regular musical entertainment lined up for the month, and yes, your favorite the Auction!

Keep having fun and enjoying all the great activities until I'm back. Can't wait to see you all soon!

KIM'S KEEP UP

May is shaping up to be a busy and exciting month here at The Gardens! We've got a great lineup of events and activities to keep things fresh and fun.

One highlight: Ernie the donkey will be visiting mid-month. Be sure to come say hello! Don't miss our Mother's Day Tea on May 9th from 2-4 PM, with sweet treats, lovely entertainment, and a celebration of the amazing women in our lives.

We're also starting new motor skill activities to keep us moving and kicking off a small resident garden with tomatoes and other veggies, perfect for those who enjoy digging in the dirt or relaxing outdoors.

Group puzzles have been a big hit, and book club continues to spark great weekly conversation. With the warmer weather, Tokota and I have been enjoying evening rides, and I'm even looking into a few local shows.

Wishing everyone a joyful May filled with sunshine, laughter, and maybe even a few butterflies, and don't forget to stop and smell the roses!

The Gardens
Activity Director

JILL'S JOLLY

Jill Wagoner
Marketing Director

Happy May! This year is really flying by quickly. This month we celebrate mothers. I miss my mom dearly, but I remember her fondly. I plan to celebrate with my two daughters, Hannah is 19 and attends Cumberland University and Sophie is 17, a junior at Green Hill High School, here in Mount Juliet. I hope you remember your mother with lovely and cherished memories and if you are also someone's mom, Happy Mother's Day!

Robert Johnson
Maintenance
Director

ROBERT'S REPORT

Thank you for all the cooperation during our monthly fire drills! They keep us safe and give us a chance to enjoy some fresh air. Ask someone to crack your window to take in the weather from your room. And don't forget, the screened in porch is always there to enjoy the season.

JESSICA'S JUICE

Just like fresh Spring blooms, we're welcoming new nurses and resident assistants to our team! They're here to help us provide the best care possible. Please join us in giving them a warm welcome!

Jessica Mason
Director of Nursing

We are excited to roll out our new Spring/Summer menus, created with your feedback in mind. We've added some delicious new meals, and our team will try their best to follow the new menus closely and make meal times something to look forward to.

Snacks will now be on the dining room counter, take only what you need so there's plenty for everyone.

Please remember not to take dishes or silverware to your apartment. If needed, the kitchen can provide disposable options upon request.

KWAME'S CUT

Kwame Berry
Dietary Director

Grace Thomason
Executive Assistant

GRACE'S GIGGLE

No giggles this month, just serious business! It's bittersweet to share that I'll be moving on from my role here, with my last day on May 27th. I'm sad to leave and will miss you all so much, but I'm also excited for this next step in my life. Thank you for the endless love, laughs, and support. And don't worry, I'm packing a few giggles to-go!
