**"To everything there is a season and a time to every purpose under heaven." Ecclesiastes 3:1"**

As we welcome Fall, we look forward to a month filled with fun, fellowship, and wonderful memories! There will be a lot of crafts surrounding this Fall season. Tokota and I will be entering some Fall shows and look forward to getting back into the arena and also having some barn outings.

He enjoys seeing the residents as much as they do I believe!  
Please look to the calendar so you will know what special things are headed our way! Hope everyone has a wonderful Fall month, and, as always, I will see you down the trail. Kim

### **National Assisted Living Week | September 13–19 ✨**

National Assisted Living Week begins on **Sunday, September 13**, with **National Grandparents Day**, and this year's theme is **"Shining Through the Years."** ✨ We are excited to celebrate all week long with our residents and staff! Everyone is encouraged to join in by dressing according to the theme each day and showing off their creativity and community spirit. We have a fun-filled week planned with **live entertainment, exciting activities, special celebrations, and a visit from the Bruster's Ice Cream Truck with a FREE scoop for everyone!**

National Assisted Living Week is a special opportunity to celebrate the people who make our communities such wonderful places to live and work. Our residents are at the heart of everything we do, and our staff play such an important role in creating meaningful days, special moments, and lasting memories. We are incredibly proud of these **two communities and the people who make them shine.**

We can't wait for the fun to commence and look forward to celebrating an amazing week together! 🎉
